Hospitality Suites

The guidelines below are to ensure the enjoyment and comfort of all our guests

In order to promote a restful environment for all our hotel guests, we request that you do not schedule your hospitality suite to run past 11:00p.m. Please ensure that any noise from music or entertainment is kept to a level that cannot be heard outside of your guest room/suite.

Clark County Fire Department regulations do not permit easels and signage in guestroom hallways.

Should you require easels for display of signs **inside** your guest room, please contact our Banquet Set up department for rental.

Maximum allowable seating will be determined by Banquet Set Up or a Housekeeping Supervisor. Hospitality events require at least 2 hours notification prior to schedule start time.

If your event is scheduled to start prior to 3:00pm., the suite must be reserved the day prior to allow for setup and availability. Appropriate charges will be applied.

Any event scheduled to extend past the standard 11a.m. checkout time will be charged to an additional day.

The taping, tracking or otherwise affixing of any materials to walls, floors or ceilings is not permitted.

We are unable to remove or dismantle furniture in guestrooms.

Please be advised that all liquor, beer, wine and food for hospitality suites must be purchased through our In-Suite Catering Department.

The terms of liquor license preclude us from providing setup service for bars not purchased through the In-Suite Catering Department. Should it be discovered that liquor has been purchased from an outside source, corkage fees and applicable gratuity will be charged. Please contact our In-Suite Catering department for menus and pricing.

Room or suite numbers are available on the day of check-in. You may contact a PBX Supervisor to give permission for the room number of your hospitality event to be distributed to inquiring guests. The room will be reserved under the group name of the individual reserving the suite. Suite numbers cannot be issued in advance.

Each standard guestroom is equipped with two 20 – amp outlets. Due to safety regulations, additional electrical service cannot be provided in guest rooms or suites.

Suites are designated for networking and entertainment purposes. Exhibiting in suites is not allowed.

You may register your suite as a hospitality suite with a representative from the front desk. If you would like the hospitality event displayed on a special television channel that can be accessed in all guest rooms, please contact an In-Suite Catering coordinator.

Elevator Access:

Our elevators are restricted to registered guest access only. Guest room keys only grant access to the floor of that specific guest room. Guests not staying at Delano do not have access to any guest room floors. Therefore, if you decide to have a hospitality event in your guest room/suite, you will need to arrange elevator access for your guests attending your event. Below are your options:

- If food and beverage is NOT ordered through In-Suite Catering: The host of the event must come to lobby and escort their guests up to their suite.
- If food and beverage IS ordered through In-Suite Catering: In-Suite Catering can arrange for an elevator attendant for the event to give guests access. There is a cost of \$85.00 per hour for this service. In addition, the following information must be provided:
 - A list of attendees must be submitted to the Front Desk and In Suite Catering 24 hours prior to the event.
 - If the event does not have guest list, the elevator attendant will notate the guest name via their photo identification to have a record of all attendees granted access to the guest room floor.
 - All guests will be required to provide photo ID to be verified by the elevator attendant to be granted access.

SPECIAL EVENTS

MGM Resorts Events

MGM Resorts Events is a full-service onsite event décor and entertainment company. They can produce stage sets and general session openers; create events with particular themes; provide specialty floral arrangements; design custom ceiling treatments; provide perimeter props; or even facilitate your ground transportation needs. Unlike an outside company, a DMC or third-party re-seller, MGM Resorts Events produces events out of the company's 80,000 square foot design facility. They share all the same internal systems with Mandalay Bay for diagrams, BEO's and billing, which translates into superior customer service for our clients.

Pools, Beach, Moorea

We encourage events in our one of a kind beach facility. Your Catering Manager will assist you with all procedures and seasonal requirements.

Beachside Casino: This facility is available for private functions from November 1st through March 31st. Please contact your CM for booking information. Due to gaming regulations, no private gaming can take place.

Beach Bar & Grill Restaurant: With the rental of this facility all furniture can be used or removed as needed.

Set-up Times: The standard set-up time for all pool & beach events will be 1-2 hours (depending on the size of the event), for the proper removal of pool chairs, clean-up set-up of food stations' lighting, powers etc.

Signage: All special signage provided by the group must be previously approved by the CSM. Hotel will accommodate standard signage to advise customers of pool closing time.

Back-up Space: All outside events must have a back-up space blocked in case of bad weather conditions. In the case of inclement weather, the CM and client will mutually determine eight hours prior to the event if there is a need to move the event inside. In some cases, due to the extent of set-up and entertainment, the decision may be made sooner than eight hours prior to the event. The inclement weather form will need to be signed confirming relocation.

Food and Beverage: A Food and Beverage minimum will apply for all functions on the Pools, Moorea or Beach areas. Please contact your CSM for details. Please note that no glass or chinaware can be used in any of these areas.

Music & Entertainment: The following Noise Abatement Policy will be enforced at all pool functions as follows:

SUSTAINABLE MEETINGS

The world's most respected companies hold their events at Mandalay Bay Resort. And it's not just because we're the largest meeting facility on the Las Vegas Strip, or because we have in-house event planners that are there to help with every facet of your event. It's also because our parent company, MGM Resorts International, has blazed a trail with its Earth-conscious conservation practices. And the two towers that comprise our resort, Mandalay Bay and Delano, are both strongly committed to being socially responsible and lessening our impact on the planet.

We are proud of our efforts but are continually looking for new ways to further reduce waste, conserve energy and sustain our environment. Because when we look after our planet, everyone wins. See our document library for our Green Brochure: [Document Library](#)

Charitable Organizations

One way many meetings and event are going "green" is to donate left over product to local charities or create a special event around a charity as part of their overall program. Our Corporate Philanthropy and Community Affairs department for MGM Resorts International is a great resource to source local charities and help you coordinate an event or donation.

Teacher's EXCHANGE: The Teacher EXCHANGE is a reuse resource for all Southern Nevada public school teachers. Donations of new and reusable materials, office supplies, surplus materials, computers, foam core signs, equipment, and furniture are collected from community businesses and individuals and provided at no charge to teachers to support classroom instruction. Please contact the Teacher EXCHANGE at 702-263-6004 or visit www.thepef.org. See document library for specific info on Teacher's exchange. [Document Library](#)

Charitable Events

Should group wish to conduct a charitable event as part of their program, please ensure you reach out to your CSM/CM before confirming any details. Due to Nevada Revised Statutes under the oversight of the Nevada Gaming Control Board, there are strict policies determining how these types of events are defined and must be conducted. Prior to developing events, please ensure you advise your CSM/CM as we may need to get approvals from our compliance team before proceeding. Some types of charitable events that would require approvals would be silent auctions, raffles, bingo, gaming tournaments (this is NOT an all-inclusive list). Our teams can help you facilitate these regulations and guide you to acceptable methods of incorporating charitable events into your program.
